

SIX GENERATIONS *of* WINEGROWERS

# NORTH COAST WINE CO.

GEYSERVILLE - CALIFORNIA

## OUTERBOUND RESERVE CABERNET SAUVIGNON

2018 | ALEXANDER VALLEY

### WINE INFO

With a focus on power and precision, our Alexander Valley Reserve Cabernet encourages further exploration from first taste. Coated layers of red and dark fruit, espresso, cardamom and rosemary explode on the palate to then be reined in by firm tannins and brisk acidity pulling through the finish.

### VINEYARD INFO

#### Wessel

Located not far from the winery, Wessel is a well-managed hilltop vineyard located on the Dry Creek Ridge of the Alexander Valley. Growing Cabernet Sauvignon, Clone 337, this block produces a prominent tannin structure in the glass. Grower Dennis Wessel is often found tinkering around his vineyard making sure every vine is well manicured and to his high-quality standard.

#### Smith Ranch

Planted in 1998, the Smith Ranch grows Cabernet Sauvignon, Clone 337, at around 600 feet. This Alexander Valley hilltop vineyard slopes both to the west and to the east, with aromatic, intense fruitiness in the glass.

#### TECHNICAL DATA
