OUTERBOUND CHARDONNAY

2019 | SONOMA COAST

WINE INFO

Sourced from two distinct vineyards in the Sonoma Coast AVA, this Chardonnay features citrus, mineral and acidity notes from Keller, with plush tropical fruit flavors from the Reis Vineyard. Individual lots were fermented and aged in both barrel and stainless-steel tank before blending, lending to a bouquet of lush, citrus fruit framed by spice and light butter aromas. Medium in body and zippy on the palate, crisp flavors of lychee, grapefruit, Kaffir lime and peppery spice carry through the lasting finish.

VINEYARD INFO

Keller Estates

Located in the cool Petaluma Gap, Keller Estates is nearby the San Pablo Bay, with mineral rich, clay soil. Planted with a very dense row and vine spacing, this old Wente clone Chardonnay block is farmed organically without herbicides. While each vine only yields a few pounds of fruit, the intense flavors and bright acidity in the glass is unprecedented. This vineyard is harvested at night to ensure the grapes arrive at the winery nice and cool.

Reis

Planted on the famed Goldridge soil of the Russian River, the Reis vineyard sits on a ridge about 9 miles from the coast. We were thrilled to discover the high quality of these Chardonnay vines, due to the sun exposure, soil and exceptional microclimate in the area.
