

SIX GENERATIONS *of* WINEGROWERS

NORTH COAST WINE CO.

GEYSERVILLE - CALIFORNIA

OUTERBOUND PINOT NOIR

2019 | RUSSIAN RIVER VALLEY

TASTING NOTE

"A good backbone of moderate tannins and tangy acidity supports vivid black cherry, red cherry and black-tea flavors in this medium-bodied, energized wine. It has a focused, slightly lean expression that makes the mouth water for more. Best through 2030." -Jim Gordon

VINEYARD INFO

Marcucci

One of the oldest Pinot Noir vineyards in the Russian River Valley, the Marcucci vineyard solely grows clone 115 on an eastern facing slope. The ranch is made up of two distinct blocks which yields around two tons per acre on the upper block, with the lower producing almost double the yield of its counterpart. The Pinot Noir fruit produced at Marcucci vineyard grow in small, concentrated clusters, packing a powerful punch with a unique structure and texture in the glass.

Hicks

Situated on the western slopes of the Mayacamas Mountains, Hicks' intriguing terrain is just a stone throw away from Mark West Creek. This postage stamp 1.75 acre cane pruned vineyard has a gentle slope to the northeast and experiences prevalent temperature shifts from a heavy maritime influence. This vineyard is harvested in the middle of night with grower Kris Hicks overseeing the pick himself.

Carinalli

Located in the cool Sebastopol Hills, Carinalli provides flavors and aromas of cranberries, raspberries, tart cherries, and thyme.
