

SIX GENERATIONS *of* WINEGROWERS

NORTH COAST WINE CO.

GEYSERVILLE - CALIFORNIA

OUTERBOUND CHARDONNAY

2020 | SONOMA COAST

WINE INFO

Individual lots were fermented and aged in both barrel and stainless-steel tank before blending, lending to a bouquet of fresh citrus fruit, pineapple, and green apple framed by warm baking spice aromas. Medium in body and refreshing on the palate, crisp flavors of grapefruit, lime zest, lychee, and bouquet garni carry through the lasting finish.

VINEYARD INFO

Keller Vineyard

Located in the cool Petaluma Gap, Keller Estates is nearby the San Pablo Bay, with mineral rich, clay soil. Planted with a very dense row and vine spacing, this old Wente clone Chardonnay block is farmed organically without herbicides. While each vine only yields a few pounds of fruit, the intense flavors and bright acidity in the glass is unprecedented. This vineyard is harvested at night to ensure the grapes arrive at the winery nice and cool.

Santo Giordano Vineyard

Located only 5 miles north of the San Pablo Bay, Santo Giordano is nestled in a southwest facing slope in the Carneros sub AVA of Sonoma. Grown in Goulding Clay Loam soil, this Chardonnay takes time to ripen and thrives in the cooler climate of the region.

TECHNICAL DATA

T.A.: 0.63g/100ML

PH: 3.52

ALC.: 14%

AGING

10 MONTHS - 50% FRENCH OAK (40% NEW), 50% STAINLESS STEEL

BOTTLING DATE

JULY 1, 2021

PRODUCTION

1285 CASES
